

Conifer Grove School Cross Country 2017

Thursday 3 August 2017

(Save day Wednesday 9 August 2017– in the event of bad weather forecast)

The children have been training hard in preparation for the School Cross Country. We would like to invite parents and family/whanau along to support their wonderful children.

Children will need to come to school in their full school uniform. Kotahitanga, Haemata and Whanake (Year 3-8) students need to run in their sports uniforms and Timata students (Year 0/1) need to wear appropriate mufti clothes (t-shirt and shorts). Sport shoes are advisable. Please be aware that while the teachers do their best to maintain a safe environment for this event, it is impossible to check every inch of the running course for objects that could cause injuries.

The races for Year 7 & 8 students will start and finish at Brylee Park. All other year groups will assemble by the school field. Please see the back of this newsletter for the Cross Country Race Timetable – times given are an approximate guide only.

Parents and supporters are asked to stay behind the flagged off areas at all times to ensure races run smoothly and the safety of all students is our priority.
