Dear Parents / Caregivers

RE: Whole School Cross Country

With our whole school cross country coming up in week 9, classes are currently preparing for this and will be running their cross country courses in preparation for the big day on 28th June.

On enrolment, parents / caregivers give permission for students to leave the school, with teacher supervision for education outside the classroom purposes, including school cross country.

The cross country courses for our students are available to view on the school website by clicking on this [link](#).

If there has been a change to the original permission and you do not permit your child to participate in cross country practise, it is important that you email us on admin@cgschool.ac.nz as soon as possible please.

Yours sincerely

Raj Dullabh
