

25 March 2020

**Unite  
against  
COVID-19**

### Online Learning Organisation for Conifer Grove School

**The platform we will be using:** Google Classroom. *You will receive an email from your child's classroom teacher with instructions on how to join Google Classroom.*

As a School Leadership team, we made the decision to use Google Classroom based on what we feel is best for our learners, our staff and our community. Whilst other platforms are good for communication, feel that Google Classroom was the best in terms of providing both learning and communication.

#### **This week (25th, 26th, 27<sup>th</sup> of March) all teachers will be:**

- Creating Google Classroom for their personal class and sharing this with parents
- Sending a letter to parents to inform them how to connect to Google Classrooms
- Touching base with all parents to ensure that families can connect to Google Classrooms. If you are unable to connect, the class teacher will call you to help you with the process.
- Identify live times when they will be online and available to comment and assist families and students as needed

School holidays will now be **Monday 30th March until Tuesday 14th April** (inclusive).

**Online Learning will begin Wednesday 15 April.** In the meantime enjoy time with your whanau and keep safe and be vigilant.

We appreciate your support of the online learning platform. Please contact with any queries by sending an email to [onlinelearning@cgschool.ac.nz](mailto:onlinelearning@cgschool.ac.nz).

We look forward to seeing all the wonderful work your child is completing at home and are excited to see you all again in the near future.

Kind Regards

Conifer Grove School Staff
