**Unite
against
COVID-19**

16th August 2020

Dear Parents/ Caregivers,

With the Government's announcement on Friday at 5:30pm that we will be **REMAINING** in Alert Level 3 till Wednesday 26th August, Conifer Grove School will be engaging in distance learning using the Google Classroom platform. We will send out class information tomorrow morning to our whanau with specific details to get connected to with your child's classroom if you have not already done so. Please communicate with your classroom teacher if you are experiencing any issues connecting or in relation to the work provided.

The school is committed to providing an education for our students under Alert Level 3. We also understand that this can be a tough time for whanau with parents working from home and our students experiencing the worries that COVID-19 brings. Health and well-being is also important, so do what you can as the school will keep providing distance learning opportunities during this period.

I will be sending out a register if any parents need a device to support their children's learning and will give details on how this process will work tomorrow..

A reminder that the school is open to essential workers and those who are in real need (both parents working away from home). -[August Alert Level 3 Registration](#)

The school will be following the Ministry of Health and Ministry of Education Level 3 Protocols. This means that parents will need to remain off-site at all times and we will be following safe hygiene practices

Take care Whanau and enjoy your bubble.
Ngā mihi

Raj Dullabh - Principal
