

**9 September 2020 - Term 3 Week 7**

**From the Principal... Malo e lelei!!**

### **Alert Level 2 Reminders**

At Alert Level 2 students may enter the school grounds from 8.30am on through the pedestrian gates at Evanda Cres and Walter Strevens Drive walkway. It has been great to see students developing their independence during this period at Alert Level 2.

We also understand that parents may wish to support their children as well so we please ask that adults entering the school grounds at pick up and drop off times **only use the entry by the HALL** and sign in using the QR code or the visitors register.

We strongly recommend that students are dropped at the gates to minimise adults on-site. We thank you for your cooperation with this.

Adults coming onsite during the school day please report to the school office and also sign in using the QR code or visitors register.

Unfortunately we have had to cancel some events this term due to the latest move in COVID Levels - Year 7 & 8 Camp. At this stage we are postponing Cross Country to Term 4, once we have a confirmed Alert Level 1 there will need to be adjustments made so that the school can possibly run this event under the health and safety regulations of Alert Level 1.

### **Tongan Language week**

This week we are celebrating Tongan Language Week / Uike Kātoanga'i 'o e lea faka-Tonga

Students of all ethnicities have the chance to learn some basic lea faka-Tonga, and gives students who speak lea faka-Tonga the chance to be experts in the classroom.

### **Staying at home when sick**

It is important that if children are showing any signs of being unwell they must remain at home. Students and staff will be required to stay home if they are sick and will be sent home immediately if they show any symptoms (sneezing, coughing, runny nose, head cold...)

We follow the Ministry of Health and Ministry of Education's recommendations for physical distancing in schools. While there is no minimum physical distance required for schools at Alert Level 2, students and staff will maintain a physical distance so that they are not breathing on, or touching each other, and that we are not in others' 'moist breath zone'. There will be no large gatherings like assemblies or team assemblies, and initially, sports will be kept within the school. There will be no class or team trips.

**Uniform Reminder** - there are a number of students wearing incorrect uniform items - from next week we would expect all students to be in correct uniform - including sports uniform for Year 3-8 students. The school uniform is available from the Warehouse, Takanini - we do have some items left in our stock at school - see list on page 2. if you are unsure about correct uniform please see guidelines on our [website](#)

**Building** - We are excited that the school will have a shade canopy in the Kotahitanga Courts during term 4 the proposed construction for this is October with the build taking up to 4 weeks. This will be a great new addition to the school not only to provide shade but another space to meet as a school and provide physical education rain or shine.

## Colgate Recycling Programme

We are commencing the [Colgate Recycling programme](#). Collection point is the blue bin outside Room 7. Accepting any oral care brands (not just Colgate), however, they have updated their collection which now does NOT include cardboard packaging. All plastic is fine. Every piece collected gives us points which we can earn towards a donation back to the school.

# Yellow Day

Early August Conifer Grove School and the local community came together to support our local student Jeraline. A 12 year old girl fighting brain cancer!

Thank you to everyone who took time out of their day to share their love for our local student Jeraline.

We are excited to share that Jeraline is recovering well from her surgery. She is now about to start her next treatment and we wish her all the best.
