Kia ora, Whanau/Parents/Caregivers

I am sure you were as pleased as I was to hear the Prime Minister's announcement about moving to Alert Level 1. For us, there will be no major changes to what we are doing and our school continues to be safe to attend, including any staff and students who are considered more vulnerable to COVID. We have a good cleaning routine in place, those who are sick are asked to stay at home and we continue to encourage good hygiene practices.

We look forward to welcoming all our students back to school and a normal routine - it is important for the health and well-being of your children, and being around their peers and teachers will help them to feel in control and reassured.

We are supporting contact tracing by having QR code posters at our entrances – so if you haven't already downloaded the NZ COVID Tracer app the Ministry of Health's [NZ-COVID Tracer app page](#) has information to help you do that.

If you have any questions or queries please do not hesitate to contact us. It is a legal requirement, as you know, under 16's are required to attend school every day, unless they are unwell. If they are unwell, please let us know so we can support you.
