24 August 2021

Tēna Koutou Katoa,

Yesterday afternoon we were informed by the Prime Minister that Alert Level 4 for Auckland will continue until 11.59pm, Tuesday 31st August.

Distance Learning

Conifer Grove School is committed to providing learning for our students during this lockdown period. If your home requires a **hardpack** (learning resources) for your child, please email your child's teacher (**see list below**) and we will add your child's name to the school's list. We will endeavour to get these to our community as soon as we know what protocols we are able to take during Level 4.

We understand that every home situation is different and our priority for all our homes is that we are looking after the well-being and safety of our whanau/families. As we journey into distance learning again, we acknowledge that learning will look different at homes during this period.

Online sessions are designed for students and parents to communicate with the classroom teacher with any questions and queries about set work. These are not a conference call but rather times the teacher has set aside to be available online, through Google Classroom, Dojo or email, to answer any queries. We ask that you also understand that many of our staff are also at home looking after their own families and that questions and queries might not be immediately answered. Staff will look to communicate back to your queries at the nearest convenient times.

Last week we sent out classroom codes for your child to participate in online learning. If you are having difficulty connecting please email your child's class teacher. We will send out a form if devices are required nearer the end of this week for those families that have an immediate need.

Some classes will be using Google Meets - if your child does not have photo permission, please ensure you turn off your web camera, as some footage may be used and shared within the school in a teaching and learning capacity.

We hope you are all safe and well and that you are enjoying this quality time with your whanau. If you have any concerns about you or your family, please call Healthline on 0800 358 5453 or visit www.COVID-19.govt.nz.

Stay Safe everyone
Ngā mihi

Raj Dullabh - Principal
