

November 10th, 2021 - **Alert Level 3**

Tēna Koutou Katoa,

Kia ora Whānau,

You would have heard a start date for schools on the 17th of November was announced by Chris Hipkins this afternoon. Students will return from this date on a part-time basis. Whilst this may be great news for some others will be feeling anxious and uncertain about this news. If you have not completed this [form](#) indicating whether your children will be attending school or not attending during this time please do so, as this will support the planning for the coming days.

We will be seeking more clarification from the Ministry of Education this evening and we will be working on how this will look for Conifer Grove School students, the community and staff tomorrow.

We will have details of how the school will operate in the coming days. Keep safe and take care

If you have any worries about your health or the health of your family, please call Healthline on 0800 358 5453 or visit www.COVID-19.govt.nz.

Stay Safe everyone
