01 December 2021

Dear Parent / Caregivers / Whanau,

We have been informed this afternoon that a current student has been confirmed as a close contact of a positive COVID-19 case. This student has been in attendance at school this week.

This student and their family are now isolating and undergoing testing.

Our School remains open and we are continuing to follow the procedures of both the Ministry of Health & Education. Our health and safety procedures are being adhered to including mask wearing, sanitising hands and surfaces, ventilation in rooms, and staff being fully vaccinated.

As stated by the prime minister if symptoms develop, please ring Healthline on 0800 358 5453. Healthline is a free, 24/7 service with interpreters available as needed.

Common symptoms of COVID-19 are similar to illnesses such as a cold or influenza. You may have one or more of the following:

- new or worsening cough
- sneezing and runny nose
- fever
- temporary loss of smell or altered sense of taste
- sore throat
- shortness of breath

Should you have any questions please contact me directly via email: principal@cgschool.ac.nz.

Ngā mihi

Raj Dullabh - Principal
