From the Principal...

Kia ora Whanau,

As we begin another school term we ask that where possible students wear masks from Year 4 -8 indoors. This has been highly recommended by both the Ministries of Health and Education.

We are excited to be taking our Year 7 & 8 students to camp next week. It has been almost been 3 years since we have been able to have our students attend an external camp. The students can't wait!! A big thank you to all our parent volunteers who have given up their time to support the Kotahitanga teachers, without your help we would not be able to have this camp proceed.

Changes to our School Uniform -We are phasing out grey boys shorts and tartan girls culottes and introducing unisex uniform items for all students. Please see images on page 3 - these items will be available to purchase from the Warehouse, Takanini or online from the mid August. We believe that this will support whānau not only financially, but also keep our tamariki warmer in the winter months.

Traffic before and after school - Please be mindful and careful when approaching and leaving school in your vehicle. Wardens have been situated so that they can ensure that your children are safe, please stick to the rules for everyone's safety. Please avoid double parking outside the school as this is dangerous for students crossing and creates congestion.

Attendance at school on a regular basis is hugely important. Every day counts towards a child's learning and pays huge dividends for their future. Regular attendance is needed for children to continue learning and improving their basic reading, writing and other skills they need. It also means they are more likely to experience educational success. **Please remember that school starts promptly at 9am** with all students being at school no later than 8:45am to ensure they are settled by the bell. Late students are a disruption to the rest of the class and it also means your child may miss out on key concepts at the start of the day.

Ngā mihi nui, Raj Dullabh, Principal
