Conceptual Curriculum - Community Walk: Sustaining our Culture

Kia ora, talofa, mālō e lelei, fakaalofa atu, ni hao, kia orana, bula, and namaste!!!

As part of our context “Sustaining our Culture”, we will be going on 2 community walks.

Community Culture Walk... Thursday 24 November

To begin our context, we will be meeting in whānau groups and going on a short walk around our school community. We will leave the school via the Evanda Link pathway and walk toward Evanda Crescent. In whānau groups, students and teachers will walk toward Walter Strevens Drive and do a loop, returning to school via the Evanda Link pathway. Students are encouraged to bring **something to show/wear something that reflects their culture.**

All students will need to be wearing **suitable footwear** and a **hat**.

When: Thursday 24 November. The approximate leaving and returning to school times are...

Red Whānau: 9:25am - 9:55am

Purple Whānau: 9:30am - 10:00am

Green Whānau: 9:35 am - 10:05 am

Blue Whānau: 9:40 am - 10:10 am

Art Walk...

The second walk will take place in buddy classes. We will be walking from school to the Conifer Grove reserve and then to the Southern Pathway. During this walk, students will be looking at a sculpture and the cultural significance of this, as well as the materials used.

Please see over the page for a list of times and dates each classroom will be going on their Art Walk.

If you have any questions or queries, please contact your child’s classroom teacher.
