Dear Parents & Caregivers

Re: Conifer Grove School Enrolment Scheme

The Conifer Grove School Board of Trustees advise that the school will no longer be accepting out of zone placements for new enrolments (including siblings of current students).

The Ministry of Education is responsible for developing enrolment schemes, school boards are responsible for implementing and operating them. The responsibilities are governed by sections 71-75(external link) and Schedule 20(external link)of the Education and Training Act 2020.

The schemes guarantee places for children who live in a school's neighbourhood (enrolment zone) and allow other children to enrol only if there is enough room for them.

Conifer Grove School is currently experiencing a high growth phase with the increased housing development in our enrolment zone. For the school to offer the best quality education and experience for our current, new and future students, we must ensure that sufficient classroom space for students' is available.

Furthermore, funding received in the school's operational grant for out of zone students is significantly less than for those students living within the schoolzone.

Nga Mihi,

Raj Dullabh  
Tumuaki - Principal  
for Conifer Grove School Board of Trustees
