24 April Teacher Only day

The Education Review Office (ERO) has shifted to a more developmental approach to evaluation that supports each school's improvement over time. Key features of the new approach, Te Ara Huarau, are that ERO will:

- work with all schools in an ongoing way rather than as a one-off event
- connect with each school's strategic planning and reporting cycle as part of their improvement journey
- work in partnership with schools, collaborating in support of equitable and excellent outcomes for all learners

As a result, each school will:

- have a dedicated ERO Evaluation Partner who works alongside the school
- have a different experience depending on needs, strengths, and their school's specific evaluation focus
- be on a three-year evaluation cycle

What will public reporting on ERO's website look like?

As schools' transition into the approach, ERO will work with schools to publish a one-off Profile Report. This will focus on the strategic goals schools have in place to improve learner outcomes and what the school is seeking to achieve through the evaluation.

Within a three year cycle all schools will then have a Te Ara Huarau | School Evaluation Report. This report includes information about the school's improvement journey, what the school has achieved for learners and their future priorities.

All schools will receive a Board Assurance with Regulatory and Legislative Requirements Report about their board's attestation to meeting those requirements. Provision for International Students and Hostel Reports will be published where applicable.

Other reporting

Progress Reports - These reports are not published on ERO's website.

Progress reports will provide specific information for specific audiences such as your board, the community or the Ministry of Education.

More information is available on ERO's website,

YEAR 5-8 SWIMMING

On Tuesday, 21st of February, the tamariki from Whanake and Kotahitanga had a chance to enjoy the precious summer weather by taking part in the swimming sports at Alfriston School. It was fantastic to see our students display such excellent swimming skills and partake in the various water activities. Thank you to all the parent helpers, we appreciate your support. A special thanks to all the Whanake and Kotahitanga teachers for creating this opportunity for our children to be able to thrive outside of class as well.

AUCKLAND MUSEUM TRIP

During the month of March, all classes are attending workshops called 'Stars in their Eyes' at Auckland Museum as part of our learning about migration.

NORTH COUNTIES ZONE SWIMMING

On Friday Feb 24, Eight of our year 5-8 swimmers braved the weather and went to the North Counties Swimming competition. They were amazing in and out of the water. Thanks to Mrs Wells and Coach Shayde for taking them. Congratulations Coralee, Hridhaan, Kenzey, Taiga, Thais, Luka, Ava, Stella
