

14 February 2023

Dear Parents / Caregivers / Whanau,

UPDATE: Return to school for ALL students

Following this week's cyclone and school closure, I am pleased to advise that following safety checks

Conifer Grove School will be open from tomorrow, Wednesday 15th February.

Important Reminders:

- As we are still experiencing some after effects of Cyclone Gabrielle please take extra care on the roads around our school, children can often be unpredictable.
- Use pedestrian crossings and pedestrian entrances when entering the school.
- School driveways are for staff cars only and ARE NOT walking entrances.
- Do not park on the opposite side of Evanda Cres and let children run across the road, this is not safe.
- School gates open at 8:15am, students entering school grounds will not be supervised and may not enter classrooms until 8:30am. Should you require supervision before 8:30am for your child, please contact [Great Times before/after school care](#) in our school hall.
- All students are required to be in correct uniform at all times, if you are unsure please check the [2023 School Uniform link](#)

We will be continuing with our school Powhiri tomorrow in the school hall to welcome our new students/whānau and staff. You are most welcome to attend it will start at 10:15am

We thank you for your continued support.

Ngā mihi

Conifer Grove Board of Trustees & Tumuaiki - Principal
Raj Dullabh
