27th October 2023

Dear Parents and Caregivers

In 2024 we will be starting a Sports Class in Year 7 & 8. This is an integrated programme where students will still be learning Reading, Writing and Mathematics through the lens of sports, health and physical education.

Our objective is to provide students with a passion in these areas, a motivating and engaging learning style that will have them excited about their academic learning.

Students will still follow the New Zealand Curriculum, its objectives and learning outcomes, and will be taught across all curriculum areas. However, students in the Sports Class can expect to have the context of their learning based on sports, health, fitness, and / or physical education where appropriate.

We have given students an application form (one attached to this letter) and have asked for these to be returned no later than **Tuesday 31st October 8:30am** to the admin block or send to admin@cgschool.ac.nz.

Nga Mihi,

Raj Dullabh
Tumuaki - Principal
