Year 4 - 6 Bring a Taaonga to School Day

Dear Parents and Caregivers,

During Term One, students will be learning about their Identity and how it is shaped by relationships, connections and / or the environment. As part of this learning, we would like to invite students to bring along a treasure or taaonga that is special or important to them and their identity. They can bring this to school anytime in the next week, and will have the opportunity to share this with their peers, discussing why it is important to them.

To keep items safe, we request that students hand their taaonga to their teacher in the morning, and have this returned to them at the end of the day. Alternatively, you are most welcome to send a photograph to your class teacher (email addresses below), and the item can be shared with the class that way. Should you wish to do this, please ensure the name of the child is included in the body of the email.
