NEWSLETTER

Welcome Back To School!

We hope that you all had a relaxing break! It is great to have the Haemata students back at school, refreshed and ready for a new term. We have an exciting term ahead with lots of learning and events to look forward to, including new classroom projects, fun challenges, and opportunities for students to build on their skills and confidence. We're looking forward to seeing their growth and celebrating their successes throughout the term.

Reminders:

- As we head into our winter terms, students no longer need to bring their hat to school.
- Uniform - with winter terms ahead, please ensure that all jumpers and jackets are named so we can find their owners easily.

Term 2 Learning

Literacy: Writing - We are following the Syntax Project Programme which focus on sentence structure, vocabulary and punctuation. Reading - Following scope and sequence in LLLL. Comprehension strategies such as using prior knowledge and identifying the main idea of a text.

Maths: We will continue to learn about place value and addition/subtraction. As well as multiplication/division strategies and fractions. 

P.E: Large ball skills such as throwing & catching through games such as Hungerball, Basketball and Soccer.

School Values: Mana Motuhake (Responsibility) - for ourselves, for others and for the environment.

Social Skills: Turn-taking, sharing, resolving conflict.

OUR CONCEPTUAL LEARNING IN TERM 2

This term, we are continuing to explore our big idea: Change. Our focus will be on understanding that change can occur in different ways and may bring about reactions, opportunities, and challenges. We will be looking at this concept through the lens of health, with a particular emphasis on relationships. Students will have the opportunity to reflect on how change impacts them and the people around them, and learn strategies for navigating these experiences in positive and meaningful ways.
